Rugby

Our first fifteen travelled down to Rotorua to play Whakatane High School in a 'Bay talent identification day' at Western Heights High School, a day where all secondary school games were played in the same location. The boys played a heap better than what they have done in previous weeks. The boys finally found the benefit of playing to shape and moving the ball as talked about in their trainings. The game tactics saw the boys scoring some well-worked team tries with props and wingers getting to jot down for the points. It was awesome for the boys to have some outcomes from their play and taking the win 32-12.

The under 15 boys managed to win 59-14 against John Paul College at home

Rock Climbing

On Wednesday last week, the Secondary Schools Rock Climbing Championships were held at Rocktopia in Mount Maunganui. We had a team of eight students travel over to the event and all compete extremely well. It was an awesome venue and set up this year with the students being able to do Rock Climbing, Bouldering and Clip 'n' climb within the competition. All our climbers performed very well with Irralee Hair managing to take out the Senior Girls competition.

Turbo Touch

National Youth week took place last week and Employ NZ organised for a Turbo touch competition to be played last Friday at the Queen Elizabeth Youth Centre. We put a team together of different sports athletes in different year groups at school. We taught the team how to play on the Thursday and took them to the competition on Friday. We expected to be playing against other secondary schools but it was more community youth groups, which made the day challenging as they there were some adults playing in teams. We made the final and played against some experienced Turbo Touch teams but our students' fitness and ability to listen to game plans saw them win the final 11-7. Great effort from the crew and we look forward to taking on the challenge again next year.
