Our Senior Awards Evening is the formal ceremony which marks our Year 13 students' transition from Secondary to Tertiary Education, or to the world of work. It is also the occasion at which we recognise and celebrate our students' achievements from throughout the year.

We hope this booklet will serve as a reminder of this important function. The booklet contains both the programme for the 2018 Senior Awards Evening and the names of senior students who have gained honours this year for excellence in achievement, diligence and service in the academic, sporting and cultural fields at Otumoetai College.

Our congratulations to you all.

We trust that every student has gained something worthwhile from his or her time at our school. We hope they leave with a sense of confidence, a belief in themselves and the desire to further enhance our motto "Let Learning Enlighten Life" / "He akonga te oranga".

Our current Year 13 students have been very special to us; we hope they also have fond memories of the school year.

We wish them all the very best for their future.

Principal*
