

Week 4 : 2 March 2020

Triathlon:

Last Tuesday five of our students competed at the BOP Secondary Schools Triathlon Champs over in Ohope, which was a very well run event. It was a hot day for the students to compete in and they all did extremely well.

U16 Girls: Lulu Johnson competed very well, finishing 3rd overall.

U16 Teams: our boys team finished 2nd.

Olivia Cummings raced in her final BOP Secondary Schools Triathlon event and for the 5th year won her event. Olivia is an incredible athlete to watch when it comes to Triathlon. In all grades, the girls, boys & teams all start at the same time and compete against each other. Olivia was the second one through the finish line, beating all the u19 individual boys and only being beaten by one boys team.

Tennis:

On Thursday last week the BOP Secondary Schools Tennis Champs were held over at the Papamoa Tennis Club.

15 of our students competed in the event throughout doubles and singles in different grades. It was great this year to have top-dog ranked junior students competing against the senior students in division one.

We had an awesome day and the students all competed very well in the heat.

Our standout student was Hannah Walpole who won the Senior Girls Division One Championship in straight sets.

In other results:

Lisa Evans & Emily Mahon : winners, Division 2 Doubles

Niclas Nadasdy : 3rd place, Division 2 Singles.

Athletics:

Our school athletics champs were held last week with over 200 students competing.

It was awesome to some of the junior students dressing in and representing their house colours throughout the day. A huge congratulations to our champions of each age group and an extra special congratulations to Patrick O'Neill who broke the Junior Boys 200m record, set in 2015, with a time of 26.0s.
