
Sport News – WEEK 6

Volleyball:

Throughout this term our junior Volleyball teams have been playing in the Bay of Plenty Secondary Schools Volleyball champs in their lead up to North Islands. All of our teams represented the school extremely well and once again we had the most teams in the competition, with three junior boys' teams and 6 junior girls' teams. A huge congratulations to our junior A girls who took the competition out beating Tauranga Girls College convincingly in two sets. The girls went throughout the full tournament unbeaten which was an outstanding achievement. The junior B girls also played outstanding throughout the championship finishing up 5th ahead of some Bay of Plenty schools Junior A teams. This gives the girls a great ranking at the New Zealand North Island tournament commencing next Tuesday in Wellington. Our junior boys finished the tournament 3rd after beating Trident High School in the play off. A huge congratulations to all of our junior students that competed in these teams. Good luck for North Islands next week.
