

Wednesday 25th March

Tennis:

The Bay of Plenty Secondary Schools Tennis championship was held at the Papamoa Domain last Friday. As a school we took 10 students to the event, four students playing singles and six playing doubles. In the Senior Girls Clara Lafont and Rosie Sussex started in division two playing a doubles pair from Tauranga Girls College beating them by an extremely large amount and moved into division one for the remainder of the day. Tia Tarau and Millie Schuler were also in the doubles division one competition in which they ended up playing Lafont and Sussex in the final. Lafont and Sussex played after starting in division two, took the first set off Tarau and Schuler 7-6, going into the second set the girls were again ahead by a few games for Schuler and Tarau to come back and win 6-7. After an extremely long day the girls played a tie breaker instead of a third set, which was first to 1 points. Millie Schuler and Tia Tarau took the game in the end, winning Division one girl's doubles and Clara Lafont and Rosie Sussex finishing second. In the Senior Boys doubles Callum Jones and George Culling had some tough games throughout the day finishing up 3rd in the division one senior boy's doubles. Congratulations to these students as well as Bella Wharry, Carys Robson, Lucian Rilling and Joseph Pavuk who all competed well throughout the day.
