### **Cricket:**

The Gillette Cup Cricket team have started the season with a bang. Firstly, winning their game in Tauranga a fortnight ago, then last week playing in the poverty bay competition and winning that as well. The team travelled to Auckland on Monday to play in their final round, where unfortunately they were beaten. The 1<sup>st</sup> XI Cricket boys played TBC in the weekend. After winning the toss and fielding first TBC made 175/10, after a slow start to their batting, with only two runs an over, they soon started smashing it and gained heaps of runs. For the most part of the game we bowled and fielded extremely well with Scott and Louis both bowling well with two wickets each. We were batting well with Nathan Wilson 56 and Louis Morris 35, finishing the game at 134/10 was a little disappointing after two boys making 91 of those runs alone. Good luck to the 1<sup>st</sup> XI for your game this weekend.
