Dear parent/caregiver,

FREE ONSITE DENTAL CARE FROM YEAR 9 AND UP AT YOUR CHILD'S COLLEGE

The Te Manu Toroa Mobile Adolescent Dental Team provides a free dental care service on the college premises under the Ministry of Health's CDA (Combined Dental Agreement) contract. The CDA contract is funded to provide free dental care for all adolescents until the age of 18.

If you have not yet enrolled your teenager at a local dentist and would like to have them enrolled with our team to have all their dental treatment done on the school premises please complete the attached enrolment form and return to the college with the rest of the Year 9 enrolment forms.

If you have other teenagers you wish to enroll as well please ask at your school office as they may have enrolment forms for you to fill in. Otherwise, please don't hesitate to get in touch with us by calling the number above.

Your teenager will receive an annual examination and x-rays with enrolment. If there is any further work to be carried out your teenager will have a consent form sent home with them that will need to be signed by a parent or caregiver before any further work can proceed. If your teenager is over 16 they are able to sign consent for themselves.

Your teenager will continue to receive annual examinations and dental care until the day before their 18th birthday.

Please note you are only eligible to access one provider of the free CDA service. If your child is enrolled at another dental practice NOT able to enroll with the onsite team. Should you wish to change your provider to our college based service please phone the dental team directly.

Please don't hesitate to get in touch should you have any queries, questions or concerns.

Kindest regards,

Te Manu Toroa Dental Team
