Nationality: Korean

Studying: Level 1 Art Visual, Mathematics, International English for Curriculum Support, Performing Arts, Science, & International English for Academic Purpose

Goal: To improve my English

1) Why did you choose New Zealand to study?

I chose New Zealand because I heard many good things about it from my father's friend. He used to live in New Zealand and thought it would be a good place for me to study.

2) What is the best thing about studying at Otumoetai College?

There are lots of subjects to choose. For me it was a good opportunity to study subjects I could not study in Korea like Art Visual and Performing Arts. I really enjoyed learning so many different art skills.

3) What do you enjoy most about being in New Zealand?

I really enjoy the relaxed lifestyle and the scenery. I often go for a walk in the evening to watch the beautiful sunset. I have visited interesting cities such as Auckland and Rotorua.

4) What would you say to a student from your country considering coming to New Zealand to study?

I would say it is a great opportunity to improve your English and experience a different culture.

5) What are your career aspirations?

I want to learn more about art and make up and eventually be a Makeup Artist.

6) What do you plan to do after your New Zealand education is completed?

I will go back to Korea and prepare for the University entrance exam.
