Level 2 Chemistry, Economics, Biology, International English for University Entrance, Mathematics & Biology. **Endorsed with Merit**

Level 3 Accounting, Economics, English, Business Management & Calculus

Goal: To have my Level 3 endorsed with Merit

1) Why did you choose New Zealand to study?

My parent's made the decision because New Zealand is a beautiful and safe country. Another factor, was the cost was less than other countries for overseas study.

2) What is the best thing about studying at Otumoetai College?

All the teachers and students work hard. There are many subjects to choose from and I particularly enjoyed Cooking and and Art Media.

3) What do you enjoy most about being in New Zealand?

I have learned so much and made so many friends of different nationalities.

4) Do you enjoy living with a New Zealand homestay family?

Yes I do. New Zealand families have a different lifestyle compared to my country. They have looked after me and helped me learn about the New Zealand culture.

5) What would you say to a student from your country considering coming to New Zealand to study?

It is a great place for overseas study. The teachers are very helpful.

6) What are your career aspirations?

I would like to have a career in Commerce using my English and knowledge I learned from Otumoetai College and University.

7) What do you plan to do after your New Zealand education is completed?

After I have finished at Otumoetai College I will study a Bachelor of Commerce at Auckland University.

I would then like to work in China and do some travelling.
