Goal: To get into a great University, learn new things and improve my English.

1) Why did you choose New Zealand to study?

The good environment. For the special experience in life and study.

2) What is the best thing about studying at Otumoetai College?

The choice of many different subjects which help develop your personal interests.

3) What do you enjoy most about being in New Zealand?

The fresh air, friendly people and amazing landscape. I managed to travel around both the North and South Island with my mum which was amazing.

4) Do you enjoy living with a New Zealand homestay family?

Yes I lived with a few homestays. There was always good food, a nice feeling like home, great care and kindness.

5) What would you say to a student from your country considering coming to New Zealand to study?

It is quiet, peaceful and very beautiful. It is a great place to enjoy life. There are a lot of outdoor activities and always time to spend on your own interests.

6) What are your career aspirations?

I would like to work as a Doctor or an Engineer.

7) What do you plan to do after your New Zealand education is completed?

I will go to University in New Zealand, Canada or Australia.
