Being able to make friends with so many different nationalities. I loved being part of a dance club after school.

3) Do you enjoy living with a New Zealand homestay family?

Yes I did. I travelled with my host family and got on well with my host sister.

4) What would you say to a student from your country considering coming to New Zealand to study?

New Zealand is quiet with lots of nature which is so different to all the buildings and people in Osaka. It is such a great experience to make friends with students from all over the world.
