Speedway:

The National competition for speedway and ministock was held in Rotorua at Paradise Valley last weekend. Sarah Harris was the top female racer in New Zealand and finished 11th overall out of 180 cars. No girls have placed that high for at least 10 years. That's an awesome achievement for Sarah who is heading to compete in Perth for the New Zealand team in March. Luke McClymont also raced extremely well taking away the Ministock madness title (New Zealand title for Ministock racing). He competed against 197 other cars, so to win was an absolutely outstanding achievement. Congratulations to the other students also that competed in the event extremely well but missed out on placings.

Triathlon:

We had five students that are Triathletes compete in the Kinloch Triathlon over the weekend. They all competed in the youth division of the triathlon and placed well. Jade Stafford placed the best out of the students finishing 4th overall. Good luck to these students for the remainder of their competitions this season.

Huge congratulations to ex-students Sam O'Dea and Mike Watson who, over the weekend, took the New Zealand Beach Volleyball open title against the Japanese pair in a tough three set match. The boys now look ahead to their Olympic Qualification so we wish them all the luck for that competition.

Good luck to the senior Volleyball teams competing in this weekend's preliminary round of the Bay of Plenty championships.
