Congratulations to Alicia Wilson and Katrina Gadsbey who competed at the Australian Surf Life Saving Champs. Both girls competed to a very high standard in the u17 age group as individuals and in teams. Alicia made the semi-final in her u17 Board Relay and the grand-final in her beach relay. Katrina came away from the Australian National event with a Bronze medal in the u17 female ski relay team, she also made the semi-final in her Board Relay and Taplin Relay.
