

15/05/2017

The girls Hockey 1<sup>st</sup> XI have continued their great start to the season with a 7-2 win over Aquinas on Wednesday. The girls had some positive plays throughout the game and it was awesome to see the girls get some goals. The girls showed some hunger and determination to score goals which is what has been missing for some years. It'll be awesome to see this team grow as the season continues. The 2nd XI lost to a well-drilled Bethlehem College 1st XI. The girls played extremely well throughout the game and did not give up even when they were down under the pump.

The 2<sup>nd</sup> XI boys had an awesome start to their season with a 5-2 win. The boys played well and have had a talented bunch of boys training hard so it's awesome to see them start the season with a good win.

Basketball kicked off over at ASB with some great games played. The Senior Boys B secured the win while the A boys had the bye, and in matching style the Junior B boys started their season off with a win. The Junior Girls team won against Aquinas College in another tight finish local derby. The Senior A girls managed to take it right to full time against a powerful TTK outfit eventually losing by two points.

The Golf team enjoyed a wonderful day out at the Ohope Golf Course with not a cloud in the sky. The team was represented by Taylor Rose-Perrit, Payton Sissons, and Hoje Kang. As a team they finished in 7<sup>th</sup> place.

The Bay of Plenty Secondary School Trampoline and Power Tumbling was held last week with Otumoetai achieving some great results. In the C Grade power tumbling Otumoetai picked up 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> through Jacqui Hale, Sophie Easterby and Tasmyn Newman respectively. The girls were awesome and it showed through Jacqui who finished with a pass score of 10.0. In the C Grade trampoline section Alex Kilgour managed to grab 2<sup>nd</sup> place with Kellie Harley following her in 3<sup>rd</sup>. Ryan Olds took out the Junior Elite Boys trampoline with a set score of 18.9.
