

21/05/2018

We have had a number of students this term make representative teams in their chosen sports. We are extremely proud of these students and wish them the best of luck for their games/tournaments in these teams.

**Hockey:**

Santi Tyson and Ruby Evans were both named in the u18 woman's Midlands team. This is a regional team, a step above association representative teams. They will be competing at the National tournament in Dunedin in July.

Kebriah Newman, Courtney Lun and Rosanna Russell have been selected into the Tauranga Association u18 woman's team. They are competing in their National association tournament in Palmerston North, also in July.

**Rugby:**

Dion Greenfield and Mitchell Wragg have both been named in the u16 Bay of Plenty Rugby team. This is an outstanding achievement for the boys and we wish them the best of luck for their games.

**Volleyball:**

The following students are all competing in the Interprovincial Volleyball Nationals for Bay of Plenty in Wellington over Queens Birthday weekend. We wish them all the best of luck and look forward to hearing how they go. In the u17 Girls we have Rose Akkerman and u17 girls Development Larissa Meads. In the u17 boys both Rhys Adie and Rhys Howard are in the u17 development. We have a large number of girls involved in the u20 program with Tymara Cox, Emma Hegarty, Georgie O'Dea, Paige Mellsop and Sarah Ensor involved in the top team and Anna Craig in the development team. Lastly, Henare Richards, Zedek Macklow and Finn Benton are all in the u20 Development boys' team. Also a special mention to our coaches, Stewart Henderson, Abbie Johnston and Adam Braddock who are all coaching within these teams and Paul Braddock managing.

**Netball:**

Congratulations to the following Netball girls who have been named in the Harbourside u15 teams. Caitlin Pringle was named in the top team and Maia Ormsby and Molina Phirun were named in the development team. Good luck to all three girls for your competitions ahead.

**Triathlon:**

A huge congratulations to Liam Miller, Blake Miller, Jade Stafford and Olivia Cummings who have all been named in the NZ u19 team to compete at the World Triathlon Champs in Australia this year. What amazing achievement for you all and we wish you the best of luck.

**Cross Country:**

It was a stunning day at Waipuna Park on Tuesday for the Bay of Plenty Secondary schools Cross Country. Our first outstanding result of the day came through young Mia Gardiner who was the schools year 9 champion. Mia ran very well, finishing comfortably in 3<sup>rd</sup> place. Olivia Cummings had to run up in Senior Girls this year and as she is only year 11 was a good challenge for her, she ran incredibly well winning the race by nine seconds. Lastly, Blake miller finished 7<sup>th</sup> in the senior boys but this was an outstanding effort in an extremely quick field of over 30 boys. Congratulations and good luck to these students for the Waikato champs in a couple of weeks.
