

23/07/2018

We would like to say a huge congratulations to a very talented young lady, Tiana Hill, who has over the holidays been in camp training for a position in the u20 Football World Cup team for New Zealand. After a weeklong camp in Auckland Tiana got the news that she has made the team and leaves the country, for France, for up to a month this week. The school are extremely proud of your hard work and determination Tiana and we wish you the best of luck over in France and look forward to hearing all about it upon your return.

Congratulations to Kobie Borrell who has been named in the Bay of Plenty u15 Rugby wider training squad. This is an awesome achievement Kobie, keep working hard and good luck for the final selections.

Netball:

Recently, Harbour side Netball Centre held a netball tournament for player's year 6-10. It was a pleasure to be involved as the day was filled with many thrills and some disappointments. Our team, 10b, won our first two games against Tauranga Girls College green, 38-3, and Papamoa College, 20-11. Sadly we lost our next game against Whakatane, 25-8, but they were a talented team who ended up winning our division. Our fourth game thrilled us all as we won against our tough rivals Mount College A, 16-13. Then in our final game against Katikati Development they got away from us and took the win with a score of 20-12. Overall, it was great tournament and it was awesome to spend some time as a team and learning more about each other.
