Total of 4 Achievement Standards				

OTUMOETAI COLLEGE PHYSICAL EDUCATION DEPARTMENT POLICIES AND PROCEDURES

Authenticity

Assessed work must be your own work. You and your caregivers will be expected to sign authenticity declarations and, where appropriate submit working drafts. Where evidence indicates work presented is not your own work the school policy will be followed, i.e. a non-credit for that unit.

Attendance

You are expected to attend class on a regular basis as set out in the school policy on attendance. If there is a record of consistent non-attendance which could jeopardise safety or the achievement of the rest of the group then an alternative work place will be considered during lessons.

It is the students' responsibility to catch up on work that has been missed through non-attendance.

If an assessment is missed a **Doctors Certificate** must be presented to enable student to sit the assessment.

Participation

Students must **participate in 85%** of any practical or theory aspects of this course to be eligible to enter the standard.

Appeals

Appeals of grades awarded are to be made within three school days of the return of assessed work. Where a grade is appealed, school policy will be followed.

Marked work is **not** to be removed from the classroom.

Late Work

Late work will **not** be accepted for assessment unless exceptional circumstance exists, (computer failure is not a valid reason to hand work in late) and an extension will be given by your teacher. Extensions must be applied for **three** days prior to the due date.

Verifying Grades

Students will be required to verify the grades they have been awarded by signing the result slip attached to each piece of work.

Compassionate Considerations

Compassionate consideration for a student who is absent from an internal assessment may be made if there is sufficient evidence available from other work related to the same skill/contact and no other re-assessment opportunity is available.

Retention of Student Work

Your teacher will retain all work completed during this course.
