Name: Guilherme Durante Concolatto

Age: 15

Nationality: Brazilian

Studying: Level 1 Science, History, Geography,
Physical Education and English
Level 2 Mathematics

Goal: Improve my English and have the experience of living abroad.

1) Why did you choose New Zealand to study?

My sister was an exchange student in Canada. I did not want to go to the same country so I chose New Zealand.

2) What is the best thing about studying at Otumoetai College?

The opportunity to study in another language, using another school system with new people. However making new friends is the best thing.

3) What do you enjoy most about being in New Zealand?

The rich culture this country has. The country is also beautiful in its nature and I enjoy the way of living.

4) Do you enjoy living with a New Zealand homestay family?

It is a really good experience to know more about New Zealand and the people. The rules are stricter but it is worth it.

5) What would you say to a student from your country considering coming to New Zealand to study?

This country has way more than you think. Once you get here you will learn so much about this little piece of land with such a diverse culture.

6) What are your career aspirations?

I would like to become a Mechanical Engineer.

7) What do you plan to do after your New Zealand education is completed?

I will go back to Brazil and finish my studies.
