Name: Laura Hoksch

Age: 16

Nationality: Germany

Studying: Year 11 Hospitality, Technology Food, Sports Science, Mathematics, Outdoor Education Physical Education, English and Recreation

Goal: Make new friends, improve my English and see another country.

1) Why did you choose New Zealand to study?

It has a very beautiful landscape and the people are all very friendly.

2) What is the best thing about studying at Otumoetai College?

The cool subjects you can choose like Technology Food and the opportunity to go on trips like surf camp in Outdoor Education.

3) What do you enjoy most about being in New Zealand?

Living near the sea, having new friends, seeing another country and living without my parents which has helped me to become more independent. It was a great experience to visit the South Island

4) Do you enjoy living with a New Zealand homestay family?

Yes, my host family is really nice and they have done many trips with me such as Hobbiton, Taupo and Rotorua. My host sister and I are like best friends and like real sisters

5) What would you say to a student from your country considering coming to New Zealand to study?

They should do it! It is a great experience and a good opportunity to make new friends (from all around the world) and to improve your English.

6) What are your career aspirations?

I don't know what I want to do after I have finished school. Maybe go to University.

7) What do you plan to do after your New Zealand education is completed?

I will finish school in Germany.

I hope I can come back to New Zealand for a holiday to visit my homestay family.
