**Name:** Daniela Dalmaz

**Age:** 16

**Nationality:** Brazilian

**Studying:** Level 2 Practical Physical Education, Chemistry, Mathematics, Geography and English

**Goal:** To improve my English

**1) Why did you choose New Zealand to study?**

I thought it would be nice to get to know a country as interesting as New Zealand and be able to improve my English.

**2) What is the best thing about studying at Otumoetai College?**

To be able to meet new teachers, students and make new friends. Having a new schedule was interesting as with one of my subjects I was able to be part of a trip to Auckland and experience the Tongariro Crossing.

**3) What do you enjoy most about being in New Zealand?**

My host family, my new friends and the adventures in the South Island – I'll keep every moment and person in my heart.

**4) Do you enjoy living with a New Zealand homestay family?**

Yes I had such a wonderful host family – they could not have been better.

**5) What would you say to a student from your country considering coming to New Zealand to study?**

Just go – don't even think twice as it will be the best experience of your life.

**6) What are your career aspirations?**

In the future I would like to study to become a Chemical Engineer.

**7) What do you plan to do after your New Zealand education is completed?**

I will continue to study until I am accepted by a University.
