Level 3 English, History & Tourism

Goal: Improve my English and have as many experiences as possible.

1) Why did you choose New Zealand to study?

It has beautiful nature, very friendly people and is one of the safest countries. Also a friend of my family was here and said it would be good.

2) What is the best thing about studying at Otumoetai College?

Tourism, as it is a subject I would not be able to do in Germany. I also enjoyed Hospitality.

3) What do you enjoy most about being in New Zealand?

The people over here and the tours I was able to do. I did a great South Island tour and have been to the Coromandel and Hobbiton

4) Do you enjoy living with a New Zealand homestay family?

Yes very much. Together we did many things around Tauranga and visited Auckland.

5) What would you say to a student from your country considering coming to New Zealand to study?

New Zealand would be a great choice. My English has really improved and I have become much more independent.

6) What are your career aspirations?

I have not decided yet.

7) What do you plan to do after your New Zealand education is completed?

I will go back to Germany to finish school and hope to go to University.
