

TEACHING POSITION PERMANENT

Full time, Special Education

We are seeking an enthusiastic educator with a passion for working with students with special needs. Who enjoys collaboration and team work, and who can build quality relationships with students. Experience in special education and/or in junior primary teaching would be an advantage. A strength in Mathematics would also be an advantage.

We provide ongoing professional development, small class size, and teacher aide support.

Applications close 4pm Monday 10 December.

All applications must be made on the school application form. Please include a cover letter and CV. Applications close 4pm Monday 10 December.
