

# Neighbourhood Support New Zealand

Over the last year there has been an increase of crime in the Tauranga area. Being part of a Neighbourhood Support group is one way to help deter crime in your area.

Neighbourhood Support, in partnership with Tauranga Police, would like to invite residents to get together for a chat and an opportunity to discuss what it means to be involved in a local Neighbourhood Support group, and to answer any questions you might have.

We have set a meeting for Bellevue households interested as follows:

**Venue:** Sports Pavilion, Otumoetai College – Access from the Action Centre car park 4.

Walk down the Playing field side of the action centre to the Sports Pavilion.

**When:** Monday, 18<sup>th</sup> September

**Time:** 6.30 pm

This is your opportunity to make a difference in your street, and help to make our homes, streets and neighbourhood a safer place.

If you are interested in belonging to a Neighbourhood Support group, but unable to attend, contact Bellevue Neighbourhood Support coordinator, Kathy on 5762083
